

CHEMICAL TESTING CORPORATION

Product Information

SAFETY DATA SHEET

PRODUCT: KEM-78, Antiscalant

Composition: Sulfonated Styrene Polymer
Maleic Anhydride Copolymer
Organo Phosphonate Polymer
Caustic Soda

Fire or explosion hazard: None

HEALTH HAZARD DATA:

External: Wash with water. Wash eyes for
15 minutes - consult physician

Internal: Consult physician.

REACTIVITY DATA:

Stability: Stable
Polymerization: Will not occur
Spill or leak procedure: Dilute with water

SPECIAL PROTECTION INFORMATION:

Respiratory: None
Ventilation: Not required
Protective Gloves: Rubber or plastic
Eye Protection: Goggles
